Seller shall not subcontract the furnishing of any of the complete or substantially complete articles required by this Purchase Order without prior written approval of Buyer.

These warranties shall remain in effect for a period of twelve (12) months from date of acceptance by Buyer. All warranties shall run to Buyer, its customers and subsequent owners of the goods or end products of which they are a part. In the event of a breach hereunder, Buyer may require that the goods be repaired or replaced, or Buyer may return all or part of the goods to Seller for refund or Buyer may retain the goods. If such changes result in delay or an increase or decrease in cost to Seller, Seller shall notify Buyer immediately and negotiate an equitable adjustment, provided, however, that Seller shall, in all events, proceed diligently to perform the work or services or supply the items contracted for under this Purchase Order as so changed. No claim by Seller for such equitable adjustment shall be valid unless submitted to Buyer in writing within 15 days from the date of such Change Notice, accompanied by an estimate of charges resulting from such change. Over-shipments may be returned at Seller's expense or retained by Buyer at no increase in unit price. Seller shall not, without Buyer's written consent, manufacture or procure materials in advance of Seller's normal flow time or deliver in advance of schedule. In the event of termination or change, no claims will be allowed for any such manufacture or material commitments in advance of the lead-time necessary to meet Buyer's firm delivery schedule and those planned schedules that are within Seller's lead-time unless there has been such prior written consent of Buyer.
